

## Children's Page

Mission work involved searching for people interested in hearing the Good News. By the early 20th century, missions in Korea grew to include schools for children and young people, hospitals and medical clinics, and an active Korean Presbyterian Church. Today the mission work of the Presbyterian Church continues through missionaries from the United States in Korea and Korean missionaries in other countries.

Try to find the words related to Korean mission work in the word search below. For more information on our Korean mission work and more activities for children, visit the Presbyterian Historical Society website: [www.history.pcusa.org/cong/heritage.html](http://www.history.pcusa.org/cong/heritage.html).
